● Speaking ● Listening ● Reading ● Writing

Since 1997, BCES has been providing professional English language training to students, job seekers, housewives, employees and business professionals. We have successfully trained more than fifty thousand students across the country and thus built a high reputation in the Industry.

BCES has now expanded its services to a broader base of students by offering specialised training courses by qualified trainers at the doorsteps of your institute.

For further info on services provided by BCES please see overleaf!
